

TRENT HILLS TRANSIT (THT) SCHEDULE UPDATE Effective November 4, 2019

November 4th, 2019 (Trent Hills)

Today, Community Care Northumberland (CCN) is launching a schedule revision for the Trent Hills Transit (THT) that will incorporate the feedback of the ridership over the last few months. CCN has determined an updated schedule will benefit the community as it will incorporate more stops within Campbellford.

“It is our hope that we can reach all current and future riders to communicate where they can find their closest transit stop and understand where to find the schedule,” said Anne Newman – CCN Transportation Coordinator. “With this revision we will work to increase awareness of where these stops are with a more visual presence.”

Attached is a copy of the schedule to the actual bus stops. In addition to those physical adjustments, THT schedule can also be found by visiting our website at www.commcare.ca/transportation.html. Also attached through this [link here](#).

What are the basic changes to note?

- The schedule will continue to run 5 days a week in-town Campbellford
- The schedule will not loop continuously, but will back and forth through route
- Warkworth and Hastings will be able to travel into the Campbellford system on Mondays, Wednesdays and Fridays.

“It can be a difficult to accommodate every rider in one schedule. This schedule is hopefully going to provide community access for all Trent Hills residents,” added Newman.

Just a reminder that if this schedule does not meet your needs as a resident, we also have our Rural-to-Urban service that can be accessed anywhere in Trent Hills by appointment. By calling in advance, one can book a ride calling 1-866-768-7778 or online at <https://www.commcare.ca/ruraltourbanform.html> at \$5 per way.

Don't forget, if you've not tried the THT, or CCN's Rural-to-Urban Transportation, one can have the opportunity for one free-ride. This can be used when booking an appointment or hopping on the THT at any stop

For more information about the THT, this schedule revision or any of our other van services, contact 1.866.768.7776.
