August 21st, 2017 (Colborne)

The Board of Community Care Northumberland (CCN) is pleased to announce that Maretta Riley has been hired as the new Program Assistant in Colborne, replacing Brenda Chapman after her retirement.

CCN's Program Assistants work directly with clients; assessing their needs and organizing the receipt of the following programs and services that apply to their individual needs.

- Friendly Visiting
- Home at Last
- Home Help & Maintenance Programs
- Meals on Wheels Programs
- Supports for Caregivers
- Telephone Security Checks
- Transportation Services
- Wellness, Social and Recreational Programs

They also recruit and support volunteers to help CCN implement these services.

Maretta Riley received her undergraduate degree in Psychology and Religious Studies from the University of Ottawa. She also has a Master of Divinity in Clinical Counselling, and has worked both privately and in agency settings as an individual and couple therapist.

"I am very thankful for this opportunity to serve the community in this new capacity," said Riley. "I find working and supporting clients through the provision of CCN programs to be extremely rewarding."

"I would like to welcome Maretta to Community Care Northumberland," said Trish Baird, Executive Director - CCN. "Maretta brings unique skills to us and she will be great asset to our Colborne office team."
