

Community Care

Northumberland

Community Care Northumberland tries to make life better for the residents of Cramahe Township helping people remain independent in their own homes and programs that support their families and caregivers. Currently, the Township of Cramahe annually donates \$11,000 to Community Care Northumberland in support of our programs. (\$10,000 of this donation allows us to leverage additional gas tax support for our specialized transportation program.) Below is a quick overview of our programs based on our 2014 statistics:
