"This has been an opportunity for me to grow as a person, has taught me to be more patient and I am certainly more aware of what some individuals have to live with. Every day I get the chance to appreciate Community Care Northumberland in a different way. I am very grateful for the time I have spent here so far and I look forward to the rest of the summer that I have left working here," said Katherine Forestell, CCN Trent Hills Summer Assistant.

"In an effort to address the specific need of youth employment, the Board of the Community Foundation developed a "Job Opportunity for Youth" grant opportunity. To date, the Foundation has invested over \$3.7 million in grants to charitable organizations. There have been over 54 summer jobs created in our community, resulting in local students developing their talents, skills and knowledge for future employability," said Martha Murphy, Executive Director of the Campbellford/ Seymour Community Foundation."
