“It is enjoyable”, said Bonnie Rowe – attendee of the Community Diners program in Stanwood. “The food is always great and there is plenty of it. I like the home style feel you get. The ladies put heaping bowls of food on the table and you can take as much or as little as you like and the desserts are always great. We go to spend time with friends and catch up on the local news. It is always great when you don’t have to cook!”
