Smile Cookie Campaign – Thank you

Ed's House, Northumberland Hospice Care Centre is overwhelmed with the support received this past week during the Smile Cookie campaign. We want say a special thank you to all of our volunteers who offered time out of their busy days to help share the message of Ed's House. Your generosity and level of dedication to this capital campaign is incredible and we cannot thank you enough for all that you do for us and our community!

To John & Kim Meeussen, & Ron & Jeri Joyce, thank you for supporting us through this very busy week. Having you present at the locations and working with your dedicated staff, who are always so friendly and helpful, made this campaign so much fun for all of us involved. You are leaders within our community and thank you for that.

Last, but certainly not least, we want to thank all of the residence of Northumberland for taking the time to purchase a smile cookie, and for many more than one!! Your support is going to contribute to making Ed's House a reality and for that we are very grateful.

It was another great year; fun was had by all!! Thank you Northumberland!

CCN In The News: Express Yourself, Participate in Art Workshops

The rewards of taking an art workshop are numerous; sometimes it is to enhance what you already know while other times you simply step out of your comfort zone and learn something completely new. The skills you pick-up from experienced artists help you improve your technique or with newfound skills you can learn how to express yourself through art.

Community Care Northumberland has some exciting new art workshop opportunities scheduled for Brighton and the Trent Hills area throughout the month of October to help you do just that.

IMPRESSIONISTIC ART - Artist Bob Pennycook's work explores colour and shape relationships in the landscape. Learn his approach and you can create narrative landscapes using simple lines and form. This step by step class will bring out your creativity using acrylic on canvas. These workshops will take place on **October 4th** from 9am-12noon at the Forrest Dennis Senior Centre in Campbellford for \$10.00 and on **October 17th** from 1pm-4pm in CCN'S Activity Room in Brighton for \$10.00. All materials are supplied at both workshops.

LEARN TO DRAW - These workshops are geared towards those who have never drawn before or looking to improve their skills. The very talented Lynn VanderHerberg will guide you step by step. These workshops will take place on **October 11th** from 9am-12pm at the Forrest Dennis Senior Centre in Campbellford for \$15.00 and **October 24th**, from 1pm-4pm in CCN'S Activity Room in Brighton for \$15.00. All materials are supplied for both workshops.

HAND FORMED POTTERY - Come and try your hand at pottery! You will make a mini platter and dipping bowl in clay using hand building techniques and then apply underglazes to colour it. This will be taken away to be fired, then a clear glaze added and re-fired. Turnaround time will be 3-4 weeks. Instructor: Melanie Horner will be running these workshops on **October 18th** from 9am-12pm at the Hastings Civic Centre in Hastings and on **October 31st** from 1pm -4pm in CCN'S Activity Room in Brighton for \$25.00.

ACRYLIC POURING - Add colour and flow to your life. Enter the exciting world of acrylic paint pouring where the paint takes on a life of its own and creates beautiful marbled art. Rachel Harbour's workshops will take place on **October 10th** from 3:30pm-5:30pm in CCN's Activity Room in Brighton for \$10.00 and on **October 25th** from 9am-11:30am at the Masonic Hall in Warkworth for \$10.00. All materials provided, bring an apron or wear old painting clothes, this will get messy!

PAPER CRAFTING - Enjoy an evening out and learn how to create lovely paper crafts that you will be delighted to share with friends and family. This workshop is designed for any level of crafter with lots of instruction and in-class help from our very talented instructor Christine Bowman. This workshop will run on **October 24th** from 6pm-8pm in CCN'S Activity Room in Brighton for \$10.00.

No matter which workshop you take, try something new or build on your knowledge; have some fun with old friends or meet some new ones and most of all, express yourself and create!
