

## UPDATE: Trent Hills Transit New Schedule Launch

June 7, 2019 (Trent Hills)

Community Care Northumberland (CCN) in partnership with the Municipality of Trent Hills will be launching their updated transit schedule on Monday June 10<sup>th</sup> in response to community feedback. The service has been adjusted to start from the town of Warkworth at 9:10am in front of the Library.

As the Trent Hills Transit continues the schedule will be modified as we learn about needs that might not have been included with the original schedule. The updated schedule has added more stops throughout Campbellford that includes residential stops and additional loops around the town so residents may travel within Campbellford as well as to and from.

Please see attached schedule for further route information on specific stops.

In order to give residents an opportunity to try out our new transit we are offering a promotion of one free return trip to anyone wishing to ride and see the advantages of the service first hand. In order to access your free trip, please call our scheduling office at 1-866-768-7778.

“We appreciate the support and feedback received so far for this new initiative”, stated Anne Newman, Regional Transportation Coordinator. “The municipality has been a great partner and as we progress you will see bus stops around town that match our schedule. We will continue to provide both rural and accessible services throughout the County. Rides for these options are still pre-booked by calling the scheduling office the day prior to your trip,” added Newman.

For more information about the new Trent Hills Transit or Community Care Northumberland’s other transportation please visit us online at [www.commcare.ca/transportation.html](http://www.commcare.ca/transportation.html).
