

Community Care Northumberland

June 27th, 2019 (Campbellford / Trent Hills) BIA Day in TRENT HILLS, FREE Transportation on July 10, 2019

Travelling from Point A to Point B can be difficult for folks living in a rural area without public transportation. On July 10th, 2019 the Downtown Campbellford BIA will be supporting all local residents to ride on the new Trent Hills Transit for FREE for on this day.

Community Care Northumberland has operated several transportation programs in Northumberland County and with the support of the Municipality of Trent Hills they have most recently grown their capacity and newly launched the "Trent Hills Transit (THT)". Check out the updated schedule here.

This new service operates as a non-on-demand option that travels around and within Hastings, Warkworth and Campbellford. Normally, the cost to ride this transit is \$5.00 between communities, but on July 10th, the Campbellford BIA is providing this service for free to the residents of Trent Hills.

The Downtown Campbellford BIA is looking to support all local municipal residents to access the great shops and services that can be found in Campbellford and Community Care Northumberland is very lucky to have the opportunity to join forces with them on July 10th,” said Anne Newman – Regional Transportation Coordinator. “It is rewarding that so many community partners have repeatedly coordinated efforts to bring quality transportation services to residents of our community. Those who don’t drive or don’t own vehicles can access, not only essential medical services, but personal development and social opportunities as well, giving our community’s residents the opportunity to remain fully engaged in in their communities.”

Together with the Municipality of Trent Hills, the Downtown Campbellford BIA, Community Care Northumberland are Connecting Northumberland. Don’t miss your free ticket to ride on the Trent Hills Transit July 10th to come into Campbellford from Warkworth and Hastings.
