The Board of Community Care Northumberland (CCN) is pleased to announce that Heather Quinn has been hired as the new Program Assistant in Brighton, replacing Mary Wilkes after her retirement.

CCN's Program Assistants work directly with clients; assessing their needs and organizing the receipt of the following programs and services that apply to their individual needs.

- Friendly Visiting
- Home at Last
- Home Help & Maintenance Programs
- Meals on Wheels Programs
- Supports for Caregivers
- Telephone Security Checks
- Transportation Services
- Wellness, Social and Recreational Programs

They also recruit and support volunteers to help CCN implement these services.

Heather Quinn is a graduate from the Social Service Worker program at Loyalist College in Belleville. She has worked in the helping field for over 15 years.

"Previous to joining the Community Care Northumberland team, I worked for the Community Care for South Hastings in Belleville for 4 years," said Quinn. "I feel very lucky to be a part of any agency that goes above and beyond for each client and is so appreciated in the community. I look forward to many years to come as part of this amazing team in Brighton."

"I would like to welcome Heather to our Community Care," said Trish Baird, Executive Director - CCN. "Heather brings a lot of experience to our multi-service agency and she will be great addition to our Brighton office team."
